**Re: Notice of Construction**

Dear Mr. Learner:

I am writing to inform you that the co-owners of the Cardinal-Hickory Creek project intend to commence project-related construction activities in Wisconsin next month, per the previously announced schedule (posted at <https://www.cardinal-hickorycreek.com>). No construction activities will occur in Wisconsin prior to October 25, 2021.

As we informed you earlier this year, no project-related construction activities will occur in the Upper Mississippi River National Wildlife and Fish Refuge prior to October 2022.

Sincerely,

A handwritten signature in blue ink, appearing to read "TJensen".
